PROPOSED BUDGET EXPENDITURE (if any): \$1,000

COMMUNITY BENEFIT STATEMENT (if applicable – 100 words or less)

This grant will assist incoming students by providing friendly upper class mentors who can assist the incoming student through the academic and social difficulties in starting high school and provide the gravity necessary to keep students from quitting high school. This benefits the entire community by keeping our kids in school, off the streets, away from the gangs and learning for their future and our future.
