**SECTION II - PROJECT DESCRIPTION**

4) Please describe the Neighborhood Improvement Project for which the grant is intended. Valley Glen, historically, is a neighborhood where the Arts and cultural activities are an integral part of the community. Kittridge St. School students are deeply embedded in the Arts. We are an Arts Program School, whereby students receive instruction in art, music, dance, and drama. Our students are very talented, yet their work goes under appreciated due to lack of exposure. We would like to use the grant money to purchase portable partitions to display student work.

5) How will this grant be used to primarily support or serve a non-discriminatory, public purpose and benefit the public at-large. We would like to create an annual Arts Festival for the students, parents and community. This event would be held in the Spring to coincide with our annual multi-cultural dance festival. Eventually we would like to create an Art Faire where art, dance, music, and food integrate the culturally diverse inhabitants of the Valley Glen area.
