Subject: RE: SPRINT TOWER AT VANOWEN/FULTON IN VALLEY GLEN

January 29, 2010

Dear Mr. Drews:

Just to note that this matter of the request for equipment at 13050 Vanowen also will on the Agenda for the Greater VALLEY GLEN COUNCIL Board Meeting at 7:00 pm, Monday, February 1st with the request that any consideration of this request by the Zoning Administrator be postponed until such time that Sprint has fully complies with all of the requirements promised for the Vanowen/Fulton Triangle. You or another Sprint Representative may wish to be present to state Sprint's case regarding the proposed motion. Also, Councilmember Krekorian's representative also will be present.

I hope that you use this opportunity to come before the Valley Glen Community and assure us of Sprint's commitment to completing the work required at the Vanowen/Fulton Triangle.

Also, please note that several complaints have come in regarding the raggedly condition of the American Flag on the cell tower. Sprint probably should replace the flag as expeditiously as possible.

Thank you,

Terry Anderson
President
GVGC

1-27-10 E-MAIL RE NEW SPRINT APPLICATION

RE: SPRINT TOWER AT VANOWEN/FULTON IN VALLEY GLEN, CALIFORNIA

Dear Mr. Drews:

In the oddest of coincidences, I picked up the GVGC mail from the Postal Service and guess what I found. The Sprint application to add or replace equipment **at or very near** the location of the Sprint Tower on the Vanowen/Fulton Triangle.

Interesting.

Since that hearing is on February 22, 2010, I would imagine that Sprint best have this entire matter of the Sprint Tower resolved well before that hearing. Otherwise, rest assured that the GVGC will do everything in its power to oppose any additional approvals.

I assume that the GVGC will hear from you soon.
