Subject: Budget Representatives for the Mayor's Budget Day

Hello all,

I want to encourage all Neighborhood Councils to select two budget representatives for the Mayor's Budget Day, to be held on **Saturday, October 10 at City Hall**, in conjunction with the Congress of Neighborhoods. The Mayor is looking forward to hearing recommendations and input from the communities, and particularly from the Neighborhood Councils, which have the privileged task of giving feedback directly to the Mayor.

On October 10, the Mayor will begin the program with a presentation on the budget at 8:45 a.m. Following the Mayor, Ben Ceja and our new CAO, Miguel Santana, will give a presentation on the expectations for the budget year ahead. The Mayor's Budget Survey will be officially unveiled, and several breakout sessions will further explore the budget process.

You can submit your budget representatives directly to Rose Ibanez at:  
Rose.Ibanez@lacity.org.

Best,

Antonio Sanchez
