 1. Motion, approval to post CIS re Council File 26-0674-S1: The Greater Valley Glen Council supports coordination of all affected jurisdictions when addressing encampments on Caltrans rights-of-way. We favor the request found in CF 26-0674-S1 asking Caltrans for a report on its existing policies and protocols that address the unhoused in such encampments, including the provision of shelter and housing. Rhodes Park and Laurel Grove Park are within our council's footprint and immediately west of the 170 Freeway. Alexandria Park and Valley Plaza Park are just to the east of the freeway. All have experienced chronic encampment issues, with the unhoused moving back and forth across fencing that separates City

jurisdiction from Caltrans jurisdiction. There are also migrations from east to west and from west to east. Without coordination of all jurisdictions and appropriate agencies, the encampment issue will remain unresolved. We would furthermore urge affected City agencies to independently take the lead in coordination efforts, bringing to the same table all affected jurisdictions, City, County and State, to develop workable policies and protocols.

2. Request that the GVGC board approve motion to deliver a letter to Councilman's Nazarian's office regarding the condition of the rubber surface in the playground at the Valley Glen Community Park. Playground surface is deteriorating and unsafe and a violation of ADA guidelines.
