The Community Outreach requests no more than \$500.00 for boosting Facebook posts in 2019. This expenditure will be for a six-month period. The Outreach Committee will present results to the Board at the end of those six months.

10. Government Relations – W. Hall, Chair. (35 minutes)

A. Committee report

B. Motions for Board Approval:

a. Motion 1: Bee Survey (5 minutes)

A local fact-gathering survey seeking to spot locations where bees are swarming in their quest to find new homes will be taking place in January 2019. It is being led by Mr. Ron Bitzer. The survey area, Victory on the North to Burbank on the South, Laurel Canyon on the East to Coldwater on the West, includes part of the Greater Valley Glen region. This is the time of year when bees leave existing hives to seek out new ones and may take up temporary or permanent quarters at a swarming location. The worldwide population of bees has been in drastic decline in recent years and without bees our food supply would be imperiled. The Greater Valley Glen Council urges residents and businesses in the survey area to participate in and support this important fact-gathering effort.

b. Motion 2 and CIS: (5 minutes)

The Greater Valley Glen Council opposes any amendment to the Los Angeles Municipal Code reorganizing the administrative provisions of the Zoning Code that would prevent appeals to our elected officials of decisions made by appointed individuals or commissions, or would otherwise minimize or eliminate public participations in the decision making process, and that due notification must be issued of public meetings or hearings affecting planning or zoning matters. (CF 12-0460)

c. Motion 3 and CIS: (5 minutes)

The Greater Valley Glen Council supports the proposed reporting by Street Services on resources and staffing necessary to maintain the City's unimproved median islands. This report should include a definition of unimproved median island and should be done cost-effectively and in-house with a due date certain agreed to by parties involved. (CF 18-0879)

d. Motion 4 and CIS: (5 minutes)

The Greater Valley Glen Council supports reporting by Animal Services on regulations, current practices, and alternative options for coyote management including trap and release. This report should be done cost-effectively and in-house with a due date certain agreed to by parties involved. (CF16-0585-S2)

e. Motion 5 and CIS: (5 minutes)

The Greater Valley Glen Council does not support, in part, amendments as requested by the PLUM Committee, to the proposed Home-Sharing Ordinance that are contained in the "Request for Final Ordinance and Report Back", dated November 8, 2018, from the Deputy City Clerk, Zina Cheng, to the Director of Planning, City Administrative Officer, and City Attorney. The GVGC opposes disqualifying RSO units for home-share rentals. Calendar caps and additional application processes for longer term rentals are unnecessary restrictions on the home-share rental industry. The GVGC supports the home share ordinance and the efforts to democratize and make available Home-Share Rental Hosts and Guest renters to lower income housing opportunities where market values self regulate. The Fines and calendar restrictions as proposed are disproportionate and unfair to lower-income home share rentals. (CFs 14-1635-S2, 14-1635-S3)
