Motion 1: The Greater Valley Glen Council gives its unqualified support to Mayor Garcetti's recommendation to the City Council for their approval of Ms. Joanne D'Antonio's appointment as Council District 2's alternate representative to the Community Forest Advisory Committee. Her untiring work in support of our urban forest deserves the thanks of all Angelenos. (CF 19-1200-S45)

Motion 2: The Greater Valley Glen Council opposes the Planning and Land Use Management Committee's recommendations to the City Council for revising the City's existing sign ordinance unless amended to include strict criteria (and not the "nuanced criteria" as proposed) that would preclude installation of any digital sign that that would be visible from adjacent residential neighborhoods or in locations that would cause a demonstrable distraction for drivers. (CF 11-1705)

Motion 3: The Greater Valley Glen Council supports the proposal to convene community stakeholder meetings by the Department of Recreation and Parks to solicit feedback re the safety, cleanliness, manageability and accessibility of City parks, if amended to specify that such meetings be held in conjunction with the appropriate neighborhood council or councils within whose footprint the park is located. In many, if not all instances, neighborhood councils are as knowledgeable, if not more so, of problems associated with these parks than is park management. (CF 19-1119)
