Los Angeles City Council adopted Resolution in support on April 29, 2014 (Council File No.: 14-0002-SS2 - **J.Price made motion, 2<sup>nd</sup> by J.D'Antonio. Motion: The Greater Valley Glen Council supports the Los Angeles City Council Resolution adopted 4/29/14 (Council File No. 14-0002-S52) in support of the proposed State legislation (AB 2222) to Clean Up State Density Bonus Act (SB 1818). Community Impact Statement: The Greater Valley Glen Council recognizes the need for more affordable housing. State law SB 1818 does not protect the number of existing units when a developer is able to receive a density bonus while replacing an apartment building with fewer affordable units than existed. We support the Los Angeles City Council Resolution (Council File No. 14-0002-S52) to support the proposed State legislation (AB 2222) to Clean Up State Density Bonus Act (SB 1818).**
